Curriculum Vitae

Chunyu Qu

Mail: Qu.Chunyu@psy.lmu.de | Phone: +49 15560480611

Education

10/2025 – present **PhD student, Neuro-cognitive Psychology** at Ludwig-Maximilians-Universität, supervised by Prof. Dr. Zhuanghua Shi, Munich, Germany.

- Research focus: Mechanisms of temporal integration and serial dependence in human cognition, combining behavioral modeling and neuroimaging.

10/2023 – 08/2025 **M.Ed. Research on Teaching and Learning** at Technical University of Munich, Munich, Germany.

- Cumulative GPA: 1.1/1.0
- Major in Cognitive Psychology, Learning Science, with interdisciplinary training in brain–computer interfaces.

09/2019 – 06/2023 **B.Sc. Psychology** at University of Zhengzhou, Zhengzhou, China.

- Cumulative GPA: 3.64/4.0
- Focus on Cognitive Psychology and Neuroscience.
- Relevant coursework: Cognitive Neuroscience; Abnormal Psychology; Cognitive Psychology; Personality Psychology.

Work Experiences

10/2025 – 09/2026 **Guest Researcher** (independent collaboration) of Rüdiger Klein Group, Max Planck Institute for Biological Intelligence.

- **Focus:** Analysis and modeling of calcium imaging data and EMG data.

04/2025 – 10/2025 **Research Assistant** supervised by Dr. Wenyu Ding. Max Planck Institute for Biological Intelligence.

- **Analysis of Calcium Imaging Data in Mice:** Performed motion correction, ROI segmentation, visualization of neuronal activity patterns.

05/2024 – 11/2024 **Research Internship** supervised by Prof. Dr. Bernhard Wolfrum. Munich Institute of Biomedical Engineering (MIBE), Technical University of Munich.

- **Hybrid Brain-Computer Interface (HBCI):** fNIRS and EEG visual stimulus experiment in virtual reality.

04/2023 – 09/2023 **Research Assistant** (6 months) supervised by Dr. Tengfei Guo. Shenzhen Bay Laboratory, Alzheimer's Disease Lab, Shenzhen, China.

- **Main Task:** Conducted cognitive assessments; Biomarker collection; Performed fMRI preprocessing and analysis.

Publications

Yang, M., Chu, M., ..., **Qu, C.**, et al. (2025). Disaster exposure and insomnia severity during 7·20 flood in Henan: The moderated mediation model. *PsyCh Journal*, 14(5), 775–786.

Yang, M., **Qu, C.**, et al. (2022). Relationships between Dark Triad and negative emotions during COVID-19 lockdown: The chain mediating roles of negative coping and state boredom. *Current Psychology*, 43(15), 1–13.

Yang, M., **Qu, C.**, et al. (2022). Machiavellianism and learning-related subjective well-being among Chinese senior high school students: A moderated mediation model. *Frontiers in Psychology*, 13, 915235.

Yang, M., Guo, H., ..., **Qu, C.**, et al. (2022). Sex differences in traditional school bullying perpetration and victimization among adolescents: A chain-mediating effect. *International Journal of Environmental Research and Public Health*, 19(15), 9525.

Research Projects

06/2023 – present
Research Collaborator

Effects of Daytime Light Exposure on Sleep Homeostatic Drive and Its Neural Mechanisms

- **Contributed to Experiment Design and Execution:** Played a pivotal role in designing and conducting experiments focused on sleep, wakefulness, and light exposure.
- **Conducted fNIRS Data Analysis:** Analyzed functional Near-Infrared Spectroscopy (fNIRS) data, contributing to the study's neural mechanism insights.

04/2021 – 10/2023
Research Collaborator

Neural Mechanisms of Sleep Affecting Declarative Memory Consolidation and Transcranial Electrical Stimulation Interventions

- Collected theories and methods for analyzing salivary melatonin concentrations.
- Designed sleep circadian rhythm experiment process using MATLAB and Origin.

Awards and Scholarships

09/2025 – 09/2029 **China Scholarship Council (CSC) PhD Scholarship (4 years, full funding)**
China Scholarship Council, Ministry of Education, China.

04/2025 – 09/2025 **Stipendium für internationale Studierende im Sommersemester**
1600 EUR, Technical University of Munich.

04/2024 – 09/2024 **Stipendium für internationale Studierende im Sommersemester**
1300 EUR, Technical University of Munich.

12/2020 – 12/2022 **National Inspirational Scholarship** for three consecutive years (Top 3%)
Education Department, Henan Province, Zhengzhou, China.

12/2020 – 12/2022 **Merit Student** for three years (Top 10%)
University of Zhengzhou, China.

Skills

Data Acquisition	EEG, fMRI, fNIRS, VR & Eye Tracking.
Data Analysis	Intermediate in MATLAB, FSL, SPSS, R, M-plus.
Programming	C++, C#, Python, JavaScript, PyTorch.
Other Software	MS Office, Origin, P-mod, Arduino.
Language	Mandarin (native), English (C1), German (B1).

Extracurricular Activities

06/2021 – 07/2022 **President,** Students' Union, School of Education, University of Zhengzhou.

07/2021 – 01/2022 **Leader,** Summer and Winter Social Practice Activities, School of Education, University of Zhengzhou.
